HISTORIC AMERICAN ENGINEERING RECORD

LEHIGH VALLEY RAILROAD, EASTON STEAM LAUNDRY AND DINING CAR FACILITIES

HAER No. PA-137-C

Location: Canal Street, Easton, Pennsylvania.

Description: Two-story brick building on south side of Lehigh Valley Railroad tracks, 50 feet west of the Easton station. Canopy of east end supported by elaborate cast iron brackets. There is a one-story (post-1911) addition on the west end that appears to have been a laundry. Painted on the north side of towards tracks of main building is "Lehigh Valley Railroad Dining Car Department".

History: Appears on 1911 Sanborn Insurance Maps as Lehigh Valley Laundry and Dining Car Supplies.

Source: Sanborn Insurance Maps, Easton 1911.

Historian: Peter H. Stott and Duncan Hay, HAER Inventory, 1979.
